2008 - 09 TAP Grants available now!

If you need help with assessment or curriculum design or putting together a planning day for your arts-in-ed partnership, or with funds to attend a conference or bring in a specialist for professional development, investigate applying for a TAP grant.

The guidelines and application for Technical Assistance Program grants are now available online at  
[http://www.arts4ed.org/funding/TAP/TAP\\_index.shtml](http://www.arts4ed.org/funding/TAP/TAP_index.shtml).

The guidelines have changed somewhat this year, so be sure to check out the new information, even if you're familiar with TAP. The good news - we have more available dollars to grant!

There are deadlines approximately every two months. The next one is September 15th.
